

Adobe Encore DVD 2.0 – 1 Day Class - \$295

Introduction to Adobe Encore DVD with a rich set of creative tools, helps you create striking DVD titles for film business, training, events and more. Encore DVD is the only DVD-authoring software that creates and edits menus in native Photoshop file format, comes complete with support for layers and layer styles. Encore DVD offers a flexible and intelligent workflow that makes it the right choice for easy production of full-featured, menu-driven DVDs.

Encore DVD 2.0 is one of the components of Adobe Production Studio Premium software, the complete post-production solution. Encore DVD allows you to create DVDs containing Dolby digital 5.1 content and DLT (However Dolby Digital 5.1 content must be created in another application) Encore will also integrate with Premiere Pro, After Effects, Photoshop, and the entire Creative Suite.

HDMTC offers this one day class to assist professionals and hobbyists alike. Encore DVD will give you the power to create presentations that will be remembered. If you have any questions about this class or any other class offered please do not hesitate to call at 713-988-2818.
