

Introduction to Video Ministry – 3 Day Class - \$795

Introduction to Video Ministry Our Introduction to the Video Ministry is a solution to the growing need for professionally produced communication tools for those who are spreading the word of their ministry. The introduction of a old effective and enhanced communication in recent years has brought an ability to reach individuals quickly and efficiently around the world.

HDMTC understands that many in ministry are not prepared for the costs and complications of developing professional communication tools. They often become overwhelmed by the task, frustrated by the technical challenges or just can not afford the price. HDMTC has done all the work and have mastered the art of explaining every step of the process in simple terms while at the same time, honoring and maintaining the integrity of every ministry's unique vision and calling.

If you have any questions about this Introduction to Video Ministry or any other class that HDMTC may offer please do not hesitate to call at 713-988-2818.
